Rapid Assessment On Social AND Health Impact of Covid-19 on returning Migrant Workers to Cambodia

UNFPA and its UN sister agencies in collaboration with relevant government line ministries are seeking proposals from research institutions/firms to conduct a rapid assessment on returning migrants from and through Thailand to Cambodia. The expected results and findings of this assessment is intended to provide a better understanding of the characteristics and vulnerabilities of the migrant workers, their social conditions and health including impact on their physical and mental health; vulnerability to gender-based violence; access to and utilization of SRH, child protection and social services; youth and adolescent health services.

The proposal should be submitted in separate sealed envelopes clearly marked “Proposal for RFQ UNFPA/KHM/RFQ/20/003, Quotation, Do Not Open” by 24 May 2020 17:00 hours local time and must contain:

a) Technical proposal along with two sample reports of the past studies, in response to the requirements outlined in the service requirements/TORs.

b) Price quotation, to be submitted strictly in accordance with the price quotation form and in US Dollar.
