Some Responses to Queries:

1. **Moodle: Do you know how many concurrent users (max) will use it?**
    o   *The maximum number of the concurrent users is around between 100-500.*

2. **Moodle: can you share an example of course content, which format will be used?**
    o   The format can be: video, powerpoint, micro-soft word and PDF. Some contents from the existing moodle.

3. **Moodle: Do you have an idea of the features you will need in Moodle**
    o   The moodle structure consists of: announcement, discussion, course instruction, video, slide/power point, workbook overview and instruction, workbook/assignment, workbook exercise.

4. **Moodle: Do you expect a design adaptation?**
    o   I am not sure what you meant. We have a sample of moodle to share when we are implementing the project. In overall, it is a simple platform because moodle offer us the template.

5. **Website: Will the content (KH/En) both for the website and the Moodle platform be provided by UNFPA or do you expect the contractor to create content and include copywriting within the proposal?**
    o   The contents will be given by the taskforce for both Khmer and English.

6. **The 5 minutes tutorial video will be about recording the website/moodle navigation flows with explanation or do you expect something else?**
    o   The main aim of the video is to provide a summary tutorial, which help learners to navigate the course in order to succeed their learning. We do not expect any thing else.

7. **Testing. Do you expect the contractor to manage the recruitment, venue, etc? Or just to organize de methodology**
    o   You are responsible for technical issues, including testing while the taskforce is responsible for the recruitment.

8. **Videos/photos edition (voice over, subtitles, etc). Can you provide a reference in terms of the number of materials and length of the videos?**
    o   The video length is around 5mn. We expected roughly 30-40 videos existing video to upload for this project.

9. **Do you have an idea of the structure of the website, and volume of content?**
    o   Please refer this link for a reference http://www.cmidwivesc.org
