I. About UNFPA

UNFPA, the United Nations Population Fund (UNFPA), is an international development agency that works to deliver a world where every pregnancy is wanted, every childbirth is safe and every young person’s potential is fulfilled.

¹ The final quantity is subject to the price selected at the end of the quotation process and funding available.
In response to the critical situation of large-scale community transmission started since late February 2021, Cambodia is taking strict measures to prevent the spread of COVID-19 with lockdowns, curfews, and the closure of public spaces and services, particularly in Phnom Penh, and a number of provinces. As a result, increased stress, uncertainty, and limited access of daily stock, caused by these strict measures, have been reported at a time when access to essential services is further reduced. With many people’s livelihoods and incomes significantly affected, together with lockdown, movement restrictions; basic needs, such as foods, drinks, essential medicines, sanitary, hygiene, and menstruation items, are prioritized, particularly for the most vulnerable populations.

According to the Ministry of Health, as of April 19, Cambodia has had a total of 7,013 confirmed cases of COVID-19 and 45 COVID-19 related deaths since the onset of the pandemic in early 2020. Phnom Penh has implemented a daily curfew from 8:00 pm to 5:00 am effective from April 1, 2021, through April 14, and extends to April 28, 2021. The Cambodian government recently announced a prohibition on all travel between all provinces and curfews and increases sticker lockdown measures in Phnom Penh and Ta Khmau municipalities effective through April 28, 2021, in response to the current COVID-19 outbreak.

Sexual and reproductive health is still a significant public health issue, even during epidemic or pandemic situation. Safe pregnancies and childbirth depend on functioning health systems and strict adherence to infection precautions. Pregnancy alters a woman’s immune system, making them more susceptible to infections, particularly from viral respiratory infections. Pregnant women have more contact than usual with health care settings as they require regular antenatal visits, increasing their risk for contracting infections. Also, infectious diseases sometimes have atypical presentations during pregnancy and may be more difficult to diagnose. Hygiene and cleanliness during pregnancy, even during the harsh environment and emergency, is critical to ensure safe delivery and healthy mother and newborn.

Gender-based Violence is likely increased during the COVID-19 outbreak where the moments are restricted, working places are closed or reduced working hours, less income, fear of infection and other factors. The basic need for women who are at high risk of GBV would be essential recommended by WHO to the government and policymaker to identify an alternative way to support them both basic need and essential social services particularly during the period of physical distance.

UNFPA is the lead UN agency that expands the possibilities for women and young people to lead healthy sexual and reproductive lives. To read more about UNFPA, please go to: UNFPA about us

**Objective:**

Sexual and reproductive health is a significant public health issue, even during epidemic or pandemic situation. Safe pregnancies and childbirth depend on functioning health systems and strict adherence to infection precautions.

Pregnancy alters a woman’s immune system, making them more susceptible to infections, particularly from viral respiratory infections. Gender based Violence is likely increased during the COVID-19 outbreak where the moments are restricted, working places are closed or reduced working hours, less income, fear of infection and other factors. Basic need for women who are at high risk of GBV would be essential recommended by WHO to the government and policy maker to identify alternative ways to support them both basic need and essential social services particularly during the period of physical distance.

UNFPA Cambodia Country Office maintains its commitment to contributing to the achievements of Universal Access to Sexual Reproductive Health and Reproductive Rights, the implementation of the International Conference on Population and Development (ICPD), the essential services for GBV survivor, life saving measures, and the acceleration of these accomplishments for the past 25 years in Cambodia despite during COVID-19 pandemic.

Essential items will help women and girls need in such an emergency for the GBV/VAW survivors - especially vulnerable women/girls & pregnant women during the COVID-19 pandemic, women and pregnant women in detention. The items include such as basic hygiene items and helpful information on COVID-19 are included. The communication and information materials contained are advice for pregnant and lactating women and young girls to help protect themselves against COVID-19, reduce risk from infection, practice social distancing and tips for coping with stress at home, and necessary information for GBV/VAW multi-response services during the pandemic.

In order to assist vulnerable flood victims, particularly pregnant women, women at high risk of GBV, and vulnerable young girls, UNFPA Cambodia Country Office is seeking quotations from vendors to provide the estimated quantity of 1,500 dignity kits.

The Contractor shall immediately inform UNFPA of the occurrence of any of the above events.

15. NON-EXCLUSIVITY: Unless otherwise specified in the Contract, UNFPA shall have no obligation to purchase any minimum quantities of goods or services from the Contractor, and UNFPA shall have no limitation on its right to obtain goods or services of the same kind, quality and quantity described in the Contract, from any other source at any time.

16.2 ARBITRATION: Any dispute, controversy, or claim between the Parties arising out of the Contract or the breach, termination, or invalidity thereof, unless settled amicably under Article 16.1, above, within sixty (60) days after receipt by one Party of the other Party’s written request for such amicable settlement, shall be referred to either Party to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining. The decisions of the arbitral tribunal shall be based on general principles of international commercial law. The arbitral tribunal shall be empowered to order the return or destruction of any property, whether tangible or intangible, or of any confidential information provided under the Contract, under the termination of the Contract, or order that any other protective measures be taken with respect to the goods, services or any other property, whether tangible or intangible, or of any confidential information provided under the Contract, as appropriate, all in accordance with the authority of the arbitral tribunal pursuant to Article 26 (“Interim measures”) and Article 34 (“Form and effect of the award”) of the UNCITRAL Arbitration Rules. The arbitral tribunal shall have no authority to award punitive damages. In addition, unless otherwise expressly provided in the Contract, the arbitral tribunal shall have no authority to award interest in excess of the London Inter-Bank Offered Rate (“LIBOR”) then prevailing, and any such interest shall be simple interest only. The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute, controversy, or claim.

17. PRIVILEGES AND IMMUNITIES: Nothing in or relating to the Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs.

18. TAX EXEMPTION:

18.1 Article II, Section 7, of the Convention on the Privileges and Immunities of the United Nations provides, inter alia, that the United Nations, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties, and charges of a similar nature in
respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the exceptions of UNFPA from such taxes, restrictions, duties, or charges, the Contractor shall immediately consult with UNFPA to determine a mutually acceptable procedure.

18.2 The Contractor authorizes UNFPA to deduct from the Contractor's invoices any amount representing such taxes, duties or charges, unless the Contractor has consulted with UNFPA before the payment thereof and the UNFPA has, in each instance, specifically authorized the Contractor to pay such taxes, duties, or charges under written protest. In that event, the Contractor shall provide UNFPA with written evidence that payment of such taxes, duties or charges has been made and appropriately authorized, and UNFPA shall reimburse the Contractor for any such taxes, duties, or charges so authorized by UNFPA and paid by the Contractor under written protest.

19. MODIFICATIONS: Pursuant to the Financial Regulations and Rules of UNFPA, only the Chief of the Procurement Services Branch of UNFPA or such other contracting authority as may be known to the Contractor in writing, possesses the authority to agree on behalf of UNFPA to any modification of or change in this Contract, to a waiver of any of its provisions or to any additional contractual relationship of any kind with the Contractor. Accordingly, no modification or change in this Contract shall be valid and enforceable against UNFPA unless provided by an amendment to this Contract signed by the Contractor and the Chief of the Procurement Services Branch of UNFPA or such other contracting authority.

20. AUDITS AND INVESTIGATIONS:

20.1 Each invoice paid by UNFPA shall be subject to a post-payment audit by auditors, whether internal or external, of UNFPA or the United Nations or by other authorized and qualified agents of UNFPA or the United Nations at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract. UNFPA shall be entitled to a refund from the Contractor for any amounts shown by such audits to have been paid by UNFPA other than in accordance with the terms and conditions of the Contract.

20.2 UNFPA may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Contractor generally relating to performance of the Contract at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract.

20.3 The Contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNFPA access to the Contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Contractor's personnel and relevant documentation. The Contractor shall require its agents, attorneys, accountants or other advisors, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNFPA or the United Nations hereunder.

21. LIMITATION ON ACTIONS:

21.1 Except with respect to any indemnification obligations in Article 5, above, or as are otherwise set forth in the Contract, any arbitral proceedings in accordance with Article 16.2, above, arising out of the Contract must be commenced within three years after the cause of action has accrued.

21.2 The Parties further agree and agree that, for these purposes, a cause of action shall accrue when the breach actually occurs, or, in the case of latent defects, when the injured Party knew or should have known all of the essential elements of the cause of action, or in the case of a breach of warranty, when tender of delivery is made, except that, if a warranty extends to future performance of the goods or any process or system and the discovery of the breach consequently must await the time when such goods or other process or system is ready to perform in accordance with the requirements of the Contract, the cause of action accrues when such time of future performance actually begins.

22. ESSENTIAL TERMS: The Contractor acknowledges and agrees that each of the provisions in Articles 23 to 28 hereof constitutes an essential term of the Contract and that any breach of any of these provisions shall entitle UNFPA to terminate the Contract or any other contract with UNFPA immediately upon notice to the Contractor, without any liability for termination charges or any other liability of any kind.
23. **SOURCE OF INSTRUCTIONS:** The Contractor shall neither seek nor accept instructions from any authority external to UNFPA in connection with the performance of its obligations under the Contract. Should any authority external to UNFPA seek to impose any instructions concerning or restrictions on the Contractor’s performance under the Contract, the Contractor shall promptly notify UNFPA and provide all reasonable assistance required by UNFPA. The Contractor shall not take any action in respect of the performance of its obligations under the Contract that may adversely affect the interests of UNFPA, and the Contractor shall perform its obligations under the Contract with the fullest regard to the interests of the United Nations and UNFPA.

24. **OFFICIALS NOT TO BENEFIT:** The Contractor warrants that it has not and shall not offer to any representative, official, employee, or other agent of UNFPA any direct or indirect benefit arising from or related to the performance of the Contract or of any other contract with UNFPA or the award thereof or for any other purpose intended to gain an advantage for the Contractor.

25. **OBSERVANCE OF THE LAW:** The Contractor shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the Contract. In addition, the Contractor shall maintain compliance with all obligations relating to its registration as a qualified vendor of goods or services to UNFPA, as such obligations are set forth in the United Nations and UNFPA vendor registration procedures.

26. **CHILD LABOR:** The Contractor represents and warrants that neither it, its parent entities (if any), nor any of the Contractor’s subsidiary or affiliated entities (if any) is engaged in any practice inconsistent with the rights set forth in the Convention on the Rights of the Child, including Article 32 thereof, which, inter alia, requires that a child shall be protected from performing any work that is likely to be hazardous or to interfere with the child’s education, or to be harmful to the child’s health or physical, mental, spiritual, moral, or social development.

27. **MINES:** The Contractor represents and warrants that neither it, its parent entities (if any), nor any of the Contractor’s subsidiaries or affiliated entities (if any) is engaged in the sale or manufacture of anti-personnel mines or components utilized in the manufacture of anti-personnel mines.

28. **SEXUAL EXPLOITATION:**

28.1 The Contractor shall take all appropriate measures to prevent sexual exploitation or abuse of anyone by its employees or any other persons engaged and controlled by the Contractor to perform any services under the Contract. For these purposes, sexual activity with any person less than eighteen years of age, regardless of any laws relating to consent, shall constitute the sexual exploitation and abuse of such person. In addition, the Contractor shall refrain from, and shall take all reasonable and appropriate measures to prohibit its employees or other persons engaged and controlled by it from exchanging any money, goods, services, or other things of value, for sexual favors or activities, or from engaging any sexual activities that are exploitative or degrading to any person.

28.2 UNFPA shall not apply the foregoing standard relating to age in any case in which the Contractor’s personnel or any other person who may be engaged by the Contractor to perform any services under the Contract is married to the person less than the age of eighteen years with whom sexual activity has occurred and in which such marriage is recognized as valid under the laws of the country of citizenship of such Contractor’s personnel or such other person who may be engaged by the Contractor to perform any services under the Contract.
